

Camera Exchange Program

# Replace your OLD camera with a NEW one

Exclusive Offer, Valid Until September 30, 2025

**This special offer is the perfect opportunity to present the latest MOBOTIX technology to your customers and offer them an affordable option to upgrade within the scope of existing projects.**

Specify the name of your customer's project, the camera models installed within the project and their IP addresses, while at the same time ordering the new replacement cameras from any class of model.

Orders can be placed starting now. You will receive a **five-year warranty** on all new models.

**Terms And Conditions:**

Products will be shipped from our factory in Langmeil, Germany. Prices do not include taxes and duties. Prices subject to change. Errors excepted. Cannot be combined with other offers.

We hereby accept the Terms and Conditions and agree to disassemble and remove the **cameras listed on the return forms and return them within 30 days**. The number of new cameras ordered must be identical to the number of earlier models that were removed. MOBOTIX AG handles the process of returning old cameras which takes place after the cameras are disassembled and returned. You are responsible for shipping them to MOBOTIX AG at your own cost. MOBOTIX AG will bear the costs of disposal. We are entitled to subsequently invoice the difference in price to the regular terms available to you for replacement models already received at a discounted price if these newly ordered cameras were not exchanged for older models within 30 days.

With the current MOBOTIX ONE and MOBOTIX 7 platform (ONE M1A/M73/S74/Q71/D71/c71/p71/v71), MOBOTIX is expanding its powerful IoT camera system with a growing range of models with up to 4K resolution, WDR and the latest AI-based video analytics capabilities. All models support the MOBOTIX video management applications ManagementCenter (MxMC), HUB and CLOUD.

**MOBOTIX**  
BeyondHumanVision

This exclusive offer is available to the MOBOTIX 7 cameras such as the M73 (Thermal), S74 (Thermal), D71, Q71 and c71, p71 and v71 (for products and variants please refer to [www.mobotix.com](http://www.mobotix.com)) and also to camera models of the new MOBOTIX ONE platform like M1A that are **ordered in exchange** of an older model as part of an upgrade of an existing MOBOTIX installation.

Upon purchase of these models you will receive a unique discount on standard or Thermal models from the local list price (for detailed pricing ask your local distributor) regardless of order quantity, as long as stocks last.

The fastest way to order is to fill in the order form, sign it, scan it, and e-mail it to your local distributor. Only fully completed and legible orders (block letters only) will be accepted.

**Terms & conditions:**

All prices are quoted ex-works (EXW) from Langmeil, Germany, and exclude VAT/sales tax and processing fee. Subject to change without notice.

We hereby confirm that we accept the terms and conditions stated above.

We acknowledge that we are responsible for the de-installation and return of the cameras listed on the attached return form to the local Authorized MOBOTIX Distributor. The amount of ordered cameras must be equal to the amount of returned cameras. The return process will proceed after coordination with the authorized Distributor following installation of the new cameras. For any cameras **not returned** to the Distributor **within 3 months** from the replacement order date, the difference between the special camera upgrade price and your regular purchase price will be liable and **billed** through the Distributor.
